

Who are we?

The Gamma Tau chapter of Theta Chi was founded in 1947 at Drake University. This chapter was built on the principles of the resolute man, educating its members on our five sacred purpose pillars. These pillars include education on alcohol and other drugs, fire and life safety, hazing prevention, sexual misconduct prevention, suicide prevention, and mental health awareness.

The Drake chapter has held a high reputation on and off campus, being known for service and philanthropy work on campus and abroad. In 2022 and 2024, we won Theta Chi's highest honor, the Alter Award.

THETA CHI

Promoting true and lifelong friendships through the strongest brotherhood on campus.

www.drakethetachi.org

Connections

After being around for 76 years, our alumni network has grown to over 1,800 brothers. With numerous alumni connection events and alumni weekends, the brothers of this chapter are never out of reach with brothers dating back generations. Even when you graduate, you are always a brother and a friend to Theta Chi - Gamma Tau.

Philanthropy

Our chapter of Theta Chi has a partnership with the James Arthur Albert foundation, which raises money for impoverished kids in Belize to attend high school who could not go without help. Since 2022, the brothers of Theta Chi have raised nearly \$70,000, sending hundreds of children to high school.

Our other philanthropy is with the United Services Organization, which Theta Chi supports nationally. Since 2013, Theta Chi has raised over \$1,000,000 for the USO.

Brotherhood

One of the most important aspects of our chapter is the brotherhood. When you join Theta Chi, you don't just make friends for four years — you make friends for life. Our chapter emphasizes unity among all members, which is promoted through our chapter-wide activities, such as formals, vacations, intramurals, and much more. Even with the activities, our brotherhood comes together the strongest in our chapter house, where we live and gather together.
